## Charlie's Professional All-Purpose Ready-to-Use

Spray on. Wipe off. What could be simpler? Or more effective?

Charlie's Professional All-Purpose Ready-to-Use is just that: Ready to use. It is specially designed to be the safer alternative for all your sticky, grimy daily industrial cleaning chores.

**It's the GREEN:** 82% biodegradable in just over a month.  
Rated safe for use around lakes, streams and oceans.  
Charlie's Professional is non-toxic.

**That CLEANS:** Nothing cleans as thoroughly as Charlie's Professional.  
Targets the stains, not the surface.  
Will not damage your machinery.  
No gloves or masks required. Safe for your skin.  
It rinses away completely.

- No need to dilute or re-mix. Safe for any surface you can reach with a sponge: countertops, stovetops, ovens, floors, tubs, showers, walls, tile, stonework, sinks and toilets, to name a few.
- Hypoallergenic for those with sensitive skin. No gloves necessary.
- Non-toxic & completely biodegradable.
- Perfect for cleaning grease, oil, wax, blood, mildew stains, food stains, grass stains.
- No harsh abrasives, lye, phosphates, bleach dyes or perfume.

### How to best use All-Purpose Ready-to-Use:

- Apply directly on surface to be cleaned.
- Allow 30 seconds to a couple of minutes to break the bonds between the soil and the surface.
- Light agitation prior to rinse is always helpful. Charlie's Professional was made to gently remove dirt, not blast it off.
- Wipe down with a dry or moist cloth.
