Mop up like a Pro with Charlie's

Does your cleaning crew have a different cleaner for every different floor in your building? They've got one for hardwood linoleum, concrete, laminate and surfaces you've no idea what they're made of. What's more, how's the crew expected to use the proper job-specific cleaner? Never mind that most cleaning products are not very environmentally friendly. Enter Charlie's Professional All-Purpose Ready-to-Use and Concentrate. It doesn't have to be complicated. Whatever's underfoot, Charlie's saves you time, money and might even make you think you could eat off your floor. Charlie's Professional is:

It's the GREEN: 82% biodegradable in just over a month.
Rated safe for use around lakes, streams and oceans.
Charlie's Professional is non-toxic.

That CLEANS: Nothing cleans as thoroughly as Charlie's Professional.
Targets the grime, not the surface.
No gloves or masks required. Safe for your skin.
It rinses away completely.

Outdoor concrete floors, or indoor with drain:

- Spray Concentrate across most of area.
- Let sit for 30 minutes. If liquid starts to dry, lightly dampen with water.
- Mop.
- Rinse with hose.
- Damp mop to finish.
- Repeat as necessary.

Hard indoor surfaces:

- Spray All Purpose Ready-to-Use across most of area.
- Let sit for 15 minutes. If liquid starts to dry, lightly dampen with water.
- Mop with clean water.
- Damp mop to finish.
